Food For Thought BakPak Program

Beginning **Friday, August 28th** (and each Friday thereafter), the Food For Thought BakPak Program will distribute sacks filled with food to students **who need food during the weekends**. The Food For Thought BakPak Program is a partnership of businesses, faith-based ministries, and the communities of SW Jefferson County who care about hunger needs of students in our schools. This program is designed for families who are struggling financially and may need support to provide adequate food for their children on weekends. The weekend bags consist of food for meals for each participating student. The food will be packed in a plastic grocery bag inside a backpack. The bags are distributed to students each Friday; **please return** the backpacks to school each Monday. If your student is learning remotely, one adult may pick up the bags each Friday at Normandy.

If you wish for your student(s) **to receive food to bring home each Friday**, please complete the information below and return it to the school office as soon as possible. If participating in this program, your student’s name will be shared with Ms. Steinberg and Mrs. Windle, as well as the BakPak program coordinator for the purpose of labeling the bags.

If you do **not** need assistance, but are interested in making a monetary or food item donation toward this program, please contact Andrea Steinberg.

If you have any questions, please contact Andrea Steinberg at 303-982-4746 or email her at **andrea.steinberg@jeffco.k12.co.us**. Thank you!
